

**Dubai Copper**

**HELSINKI**

A close-up photograph of a dark, textured surface, likely a metal plate or a piece of paper with a metallic finish. The surface is covered in numerous fine, diagonal scratches and scuffs, creating a complex, layered appearance. The lighting is somewhat uneven, with a brighter area towards the top center, highlighting the texture and the direction of the scratches. The overall color palette is dark, ranging from deep charcoal to a slightly lighter, ashy grey.
